It is difficult for anyone who has walked the halls of the Castle to escape the feeling of a certain aura that seems to hang in the air. It is not something one can readily take hold of, but it is what makes every Knight strive for the highest of ideals.

The spirit of the twelfth man has carried Woodlawn through both adversity and prosperity, and always, as in days of old, holding our heads high with honor. The Knights have never deceived the legend of their predecessors, for it is their responsibility to keep pride, tradition, spirit, and loyalty a part of Woodlawn's present and a preparation for her future.

# Student Council Updates WHS Standards

Under the guidance of Mr. Floyd Henderson, the Student Council developed and executed policies for improving student activities and school affairs. Mark Stephens formed the first Interclub Council made up of club presidents whose purpose was to coordinate club activities during the school year.

Also a part of the Student Council this year was a new group called Community Affairs. One representative along with one alternate made up this group. Working on community projects such as the Walk for Fund or collecting for the March of Dimes was the group's purpose.

The council remained busy selling light bulbs, school supplies, parking stickers, and Homecoming corsages. They also sponsored a car wash last summer and attended the State convention held in New Orleans in early October.

Teacher Appreciation Week, Homecoming Dance, and elections were all projects which the Council initiated this year.

Some of these projects included singing in nursing homes, ushering at the Little Theatre, collecting for the Heart Fund, and making food baskets to give to the needy.

Selling candles, cards, and the traditional "Bunny Bags" were all money-making projects for the Astra Club. Members maintained a 2.75 grade average throughout the year to keep membership.

## Z Club Ushers at Little Theater

Z Club enjoyed another year of service as they completed their tenth year as an organization at Woodlawn High School.

Members were required to spend much of their spare time participating in service projects. Among those were visiting at the Home of the Aged, working at the Christian Service Center, and selling Halloween candy for the Kidney Foundation. Money was earned at Valentines by selling cupid bags. They also participated in the Zonta Antique Show ticket sale to earn money.

Special fun activities of Z Club included Big Sis-Lil' Sis projects and a banquet at the end of the year. Appreciation for their work was reward for Z Club members.

# Student Assistants "Always on the Go"

Thirty WHS students assisted the librarian and secretaries with clerical duties during the 1974-75 year.

As library helpers, students learned to file and shelf books. Office workers assisted the secretaries with check-ins, check-outs, and running errands. During first and sixth periods office workers made rounds delivering the daily morning and afternoon sheets.

## Circulation Staff and Deliver Yearbook

ACCOLADE Ad and Circulation Staffs were characterized by outstanding features this year — hard work and sincere devotion.

The duty of the ad staff was to sell ads to help reduce the cost of the yearbook, while the circulation staff helped to distribute the yearbooks. ACCOLADE Ad and Circulation staffers were invited to become members based upon teachers' recommendations. In April they were honored at the annual publications banquet.

ACCOLADE Editorial Staff is the organization that makes the ACCOLADE happen. Fifth period each day was a busy hour for the staff. Seventeen students were selected to serve on the ACCOLADE Staff and were sincere and dedicated to their obligations with the guidance of Miss Linda Loper and Mrs. Elaine White.

Last summer an award was given to the yearbook staff for an outstanding yearbook layout at the workshop which was held at Northeast Louisiana University in Monroe. The staff also attended a yearbook convention at LSU in Baton Rouge in March.

## HERALD Staff Earns All-American Rating

In order for the Knights of Woodlawn to be always "with it," HERALD published each month all current happenings at the Castle.

HERALD Editorial Staff was composed of hard-working juniors and seniors under the supervision of Mrs. Carole Henderson.

This year the staff attended LSU-S on Journalism Day and the LSPA Convention at LSU in Baton Rouge. HERALD had the distinguished honor of receiving an All-American rating from National Scholastic Press Association in September.

## Kenny Harvey Named Herald Ad Manager

The eight issues of the HERALD would not have been possible without the devoted support of the ten HERALD Ad Staff members.

The staff's purpose was to sell enough ads to finance the publication of Woodlawn's newspaper. Membership on the staff required a quota of ads sold

by each person. Through their efforts the staff was able to publish a ten-page paper each month.

As sponsor, Mrs. Lottie Hennigan provided the staff with a background of business knowledge necessary for selling and collecting ads.

## Area Businesses Aid Football Program

Woodlawn's football program was made possible by the combined efforts of each member on the Football Ad Staff. The girls worked throughout the summer months selling at least \$100 worth of ads to finance the program.

The supervising of Mrs. Sonja Webb together with the dedication and hard work of the members resulted in an interesting program for Woodlawn fans and students.

## French and Latin Clubs Combine Projects

This year unlike past years, the French Club combined with the Latin Club to become the French-Latin Club. Combining club projects enabled members to accomplish more service work under the guidance of Miss Hovious.

Selling pumpkin bags at Halloween, taking toys to children at Confederate Hospital during Christmas, and collecting items for the Christian Service Foundation were club projects this year.

guage by being enrolled in Spanish classes this year. Installation of officers was held at Pancho's in October and the annual Christmas party was celebrated at Robena Roberson's home.

## Art Club Sponsors Christmas Food Drive

During the 1974-75 school session, Art Club finished their fifth year of broadening the artistic skills of many students at Woodlawn. Every year new projects and different types of art techniques are presented to the students. Once these art techniques are attained, the ability to create something different plays an important role in the art student's colorful world of design.

This year Art Club contributed much time to the beauty and design of the Accolade Pageant by painting the stage design.

# Drama and Debate Students

Speech Club sought to further develop skills in acting, oral interpretation, debating, and public speaking. It also hoped to promote and encourage interests and appreciation of these speech and drama skills.

Each member must have time available after school at least three days out of the week to practice and prepare for competition which is essential in developing these skills.

Many members competed in Forensic Tournaments around the state and sold Santa Socks to raise money for the club.

Advisor Mrs. Judith Bordelon strived to uphold the tradition of all Woodlawn students — to excel in their works.

# Humanities Club Helps Preserve Shreveport

Promoting students' interest in literature, art, music, and the theatre was the primary purpose for the Humanities Club this year.

After attending a meeting of the Shreveport Historical Preservation Society, the club decided to help preserve points of historical interest in Shreveport. In December the club visited the Christmas exhibit at Nortons Art Gallery before attending the annual Christmas party.

Attainment and achievement through the arts has been their motto for this year. Dr. Lee Morgan, Dr. Bob Leitz, and Dr. Earl Labor spoke to the club about the various forms of literature during the year.

## Willie Lee Presides Over Science-Math Club

Bringing together students who are interested in the fields of science and math as possible careers later in life fulfilled the purpose of the Woodlawn Science and Math Club. These students were required to have a 2.5 grade average along with a growing interest in science and math.

Planning and participating in science and math projects which may later be used in local science fairs was the main interest for science and math club members.

# FFA Performs Service for Woodlawn Faculty

Under the leadership of Mr. Harold Harris, the Woodlawn chapter of the Future Farmers of America developed leadership, citizenship, and a better understanding of civic responsibilities this year.

Spraying Mrs. Geisler's pecan trees, building a fence for Mr. Crowder, and sponsoring a hayride in the annual ROTC Carnival were all projects for this year.

Chuck Berthelot, Robert Ebarb, Steve LeGrand, DeWayne Kneipp, and Glenn Rodgers were awarded the State Farmers Degree this year. To be awarded this degree, each candidate had to be a FFA member three years, a greenhand and a chapter farmer, earn \$50 for any related field, and take an FFA test.

To become an FFA member, a candidate had to be voted in by the members, pay dues of \$5, and be enrolled in an agriculture class.

## FTA Assists Teachers

Providing leadership training experiences for students who wish to be the future teachers of America is the basic purpose of the Woodlawn FTA. Students are given a chance to portray, observe, and share teaching experiences while they are a member of this organization.

FTA this year sold carmel apples at the ROTC Carnival and sponsored a cake sale to raise money. Teacher Appreciation Week was also sponsored by the club.

Cathy Smith, president, and Stephanie Holman, secretary, attended the Louisiana State Future Teachers of America Convention that was held in New Orleans.

## FHA Members Visit Home of the Aged

To strengthen the function of the family as a basic unit of society and to help youth through home economics education in areas of personal growth, family life, vocational preparation, and community involvement were all goals this year for the Woodlawn Future Homemakers of America.

Projects for the FHA this year included selling cookies and candy at the annual ROTC Carnival and visiting the Roseview rest home.

Membership in FHA required the students to be enrolled in Home Economics and to attend the meetings held each month.

# FBLA Has District Officer

Students interested in entering the business world in a professional capacity derive great benefit from the Future Business Leaders of America, an organization which helps to "bridge the gap" between

high school and the business world. This year they assisted the March of Dimes with their drive, made Christmas baskets, and sold Carnations at Valentines to make money.

# DE Club Aids Bicentennial

Distributive Education is a program of leadership and personal development designed specifically for students enrolled in DE and cooperative marketing education. It is primarily a vocational training program in which the students receive specialized training in distributive business in school and work for a retail establishment in the afternoon for a high school credit.

DE projects this year included instructional printing for teachers and collecting toys for the children at Confederate Memorial Hospital at Christmas. They were also engaged in a creative marketing project for the Bicentennial Commission during December and January.

## Knights for Christ Hear Local Ministers

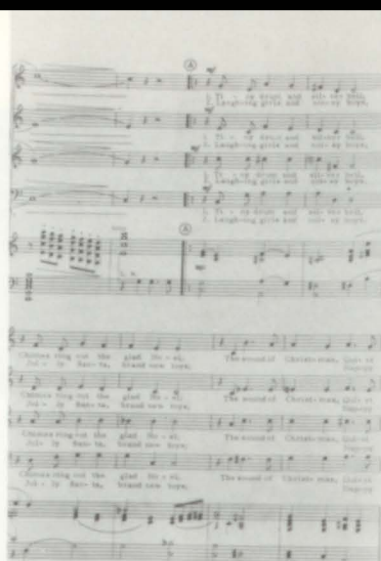

Knights for Christ was a non-demoninational organization based on the fellowship of Christians with each other.

With the guidance of Mr. Duhon and Mrs. Alford, members worked together, along with understanding and determination, to make great strides upward in their witnessing of Christ.

Activities included working with local churches in spreading news of revivals and special events throughout the area.

## Music as Language

Communicating to its listeners through song for the third year at Woodlawn was the A Cappella Choir. The forty-voice choir performed at various occasions during the year singing songs varying from Christmas carols to popular tunes.

The boys' uniforms this year consisted of off-white suits with royal blue shirts and scarlet red bow ties. The girls wore royal blue maxi dresses.

The A Cappella Choir began the year performing for the Louisiana Education Association at the Civic

Center.

The highlight of the year for the A Cappella Choir was the Astroworld Music Festival. The choir traveled to Houston in April and performed in the ballroom of the modern Astroworld Hotel in Houston's Astrodomain where all choral events were staged. The Festival director was Dr. Ray Moore and there were several nationally known judges including Greg Smith, Dr. Joseph Flummerfelt, and Norman Luboff.

# Concert Choir Competes

Under Mr. Moss's direction, Concert Choir experienced a year of practicing, performing, and competing against choirs from other schools.

The Concert Choir met each day at fourth period preparing for the busy schedule of activities throughout the year. Members of the choir continuously worked to improve their musical ability by singing various types of songs. Besides having good innate musical ability, each choir member had a

desire to work hard.

This year the Concert Choir helped to sponsor a gospel concert and the annual talent show. Dressed in the traditional royal blue robes, the choir participated in the Christmas and Spring Concerts at the school. The group competed in the District Choral Festival in Monroe in February and also performed at the Kaleidoscope at the Municipal Auditorium in May.

This year the girls wore red and blue maxi dresses which vividly displayed the school colors.

Under the direction of Mr. Moss, the choir, composed of thirty-two girls, performed several times throughout the year. One of the most impressive programs in which the choir participated was the Christmas concert entitled "A Christmas Salute to Woodlawn School Community."

Composed of twenty members, the B Choir gave the students an opportunity to participate in a choral group, to further their knowledge of the varied types of choral music available, and to strengthen their appreciation of performance skills and music in general.

After one year of training in B Choir, one may participate in one of the other choirs at Woodlawn according to how one's singing and music ability has improved.

## Boys' and Girls' State

Each August several Woodlawn students, elected by the student body, travel to the LSU campus to attend Boys' and Girls' State. The students were selected on a basis of leadership, scholarship, initiative, and personality.

For nine days the delegates were subjected to many hours of hard work. They were required to create a city and parish project which was ranked

among the other cities. They also elected their own officials by regular election procedures and introduced and argued their own bills in law enforcement agencies and courts.

The purpose of Boys' and Girls' State was to educate the students in the duties of the American citizen and to train them in leadership of local, parish, and state governments.

# Quill and Scroll Gains New Members

As a national honor society for high school journalists and those in related fields, Quill and Scroll selected its members by the quality and quantity of work they did for a school publication. The Woodlawn chapter of Quill and Scroll attempted to recognize individuals for their own talents and abilities.

Members were chosen from the ACCOLADE and HERALD business and editorial staffs and from the Football Program Ad Staff. They maintained a high scholastic average, were recommended by the advisor, and met the requirements of the national Quill and Scroll society.

Those students not only maintained a 3.0 average but were prominent in the field of leadership, possessed good character, and above all, rendered service to the school.

Highlights of the year for this honor group included the induction of new members in the spring and the annual spring banquet. Junior members consulted with Mr. Bill Robinson, the advisor, to plan and decorate for graduation. They also ushered for both baccalaureate and graduation ceremonies.

Lancerettes combined efforts to form a "Spirit Machine" during football and basketball season. Even when the Knights were down, the Lancerettes kept their spirit and pride.

During the summer Lancerette officers won first in marching and third in Pom-Pom at S.M.U. Captain Ginger Howell won an award for outstanding marching.

To prepare for the season ahead, the Lancerettes practiced many long, hot hours during the summer under the supervision of Mrs. Smith. Sugar Daddies were sold in the fall to help finance the spirit group.

Woodlawn's cheerleaders were six special girls in "Knight Country" who added enthusiasm to everything.

Among their most important responsibilities were making posters, planning pep rallies, and making football tags for each player. They performed each of these tasks with the spirit and enthusiasm that it takes to continually promote Knight spirit at the Castle.

While attending S.M.U. last summer, they competed with schools from Oklahoma, Texas, and Louisiana. They received awards of "Excellent" and "Superior" during competition.

# Mr. Franklin, Colorful Uniforms

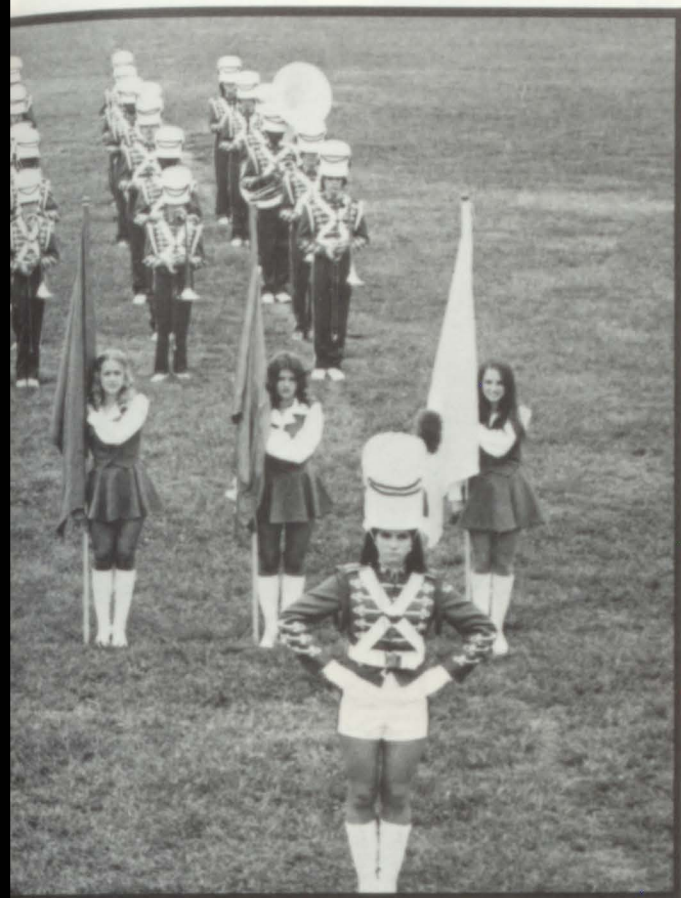

A new director, a new uniform, and a new sound all helped to make this year's band a completely new one at Woodlawn.

Under the direction of Mr. James Franklin, the band began the year performing in their old uniforms. During this time they performed in Natchitoches at a Northwestern football game. In October the new uniforms arrived. The vividness in which the uniforms displayed the school colors, red and blue, greatly added to their appearance.

Throughout the year the band performed in several parades as well as at all pep assemblies at the school. These included the State Fair, Veterans Day, Christmas, and Holiday in Dixie Parades.

The eighty-six musicians in band began practicing two weeks before the start of school. Practice continued each day during school and members worked diligently to make the band one of superior quality.

Head Coach Lowell Morrison

# Coaches Are Instrumental in Guiding Knights

Replacing former head coach A. L. Williams who left for coaching duties at NSU, Coach Lowell Morrison returned to Woodlawn for the first time since 1970.

As head coach he faced a difficult but promising season along with Coaches Al Miller, Joe Bondurant, Ken Ivy, Shealy Shelby, and Thomas Ludley.

As the season began the Knights had hopes and dreams of a highly successful season, but these soon diminished as disappointing last-minute losses to Captain Shreve, Airline and Southwood came forth.

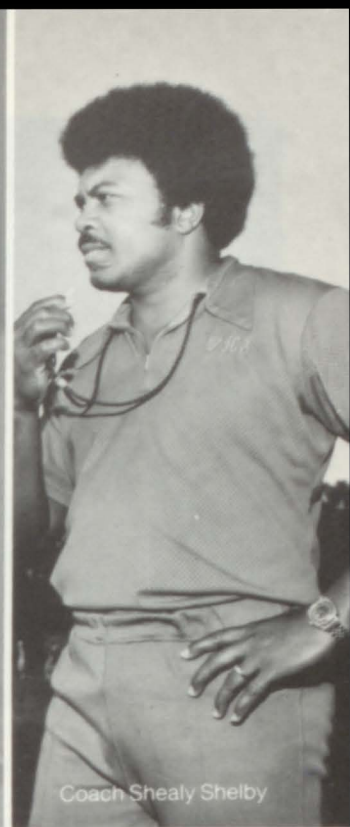

The hopes of a playoff berth also vanished with the loss of crucial games, but the Knights were not to be haunted with a losing season. With drive and determination the Knights managed to even their season with a record of five wins and five losses.

The Knights were honored as they placed four members on the All-District Team — Bobby Brown, Scott McDonald, C. J. Lottinger, and Allen Kinley. Lottinger was also named to the All-City Team.

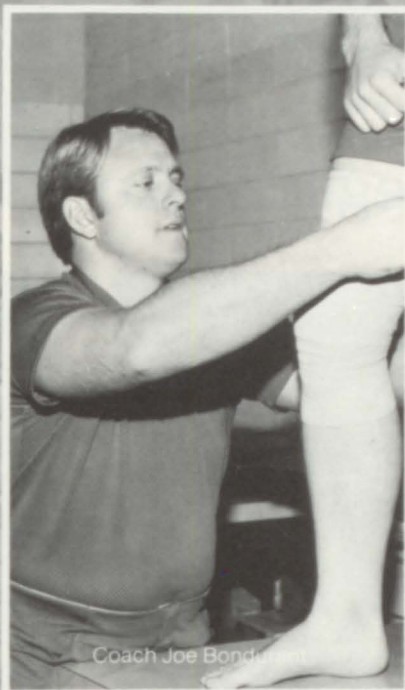

Pride and hard work were the key words for this year's team as again "Big Red" rolled onward.

## Knights Begin Season With Determination

WHS 12

Captain Shreve 19

The Knights had their hopes of winning their opening game destroyed by the Captain Shreve Gators. Woodlawn dominated the scoreless first half only to see fumbles kill drives at the Shreve 17 and 25.

After the half the Gators came out and drove 70 yards for a touchdown. The Knights then came right back and drove 71 yards with John Jones going in from the 3-yard line. Woodlawn's extra-point attempt failed.

Shreve, ahead 7-6, had the football on the Woodlawn 19, fourth down and just over a minute to go. Shreve tried to pass only to have Woodlawn's defensive back Dean Warren step in and intercept the ball and race down the side lines for an 86-yard score.

Knights, ahead 12-7, kicked off to the Gators only to have them drive to the Woodlawn 12-yard line on pass plays where they went in for the final score to defeat Woodlawn.

LaGrange 0

Woodlawn's Big Red Defense was the key for the Knights 12-0 victory over the LaGrange Gators of Lake Charles.

Woodlawn's first score came when Chuck Berthelot led a charge into the Gator backfield causing a fumble which was scooped up by linebacker Allen Kinley who scored a 42-yard touchdown.

The score by Kinley was all Woodlawn needed to win but went ahead and added an extra 6 when quarterback Doug Thornton hit split-end Jerry Murray for a touchdown play that covered 32 yards.

Outstanding defensive plays for the Knights by Allen Kinley, Chuck Berthelot, Kenny Rachal, Scott McDonald, and Bobby Brown resulted in LaGrange being limited to only 44 yards on running plays.

The Knights' leading rusher was sophomore Ricky Wells who had 40 yards on 10 carries.

LEFT: C. J. Lottinger hurries to the field after Knights regain the ball. ABOVE: Defensive players Ron Pennywell and Vic Minor stop Cowboys for a loss. ABOVE LEFT: Doug Boulware snags a vital pass at the 35.

The Knights suffered a disappointing district loss to arch rival Southwood as the Cowboys rallied to a 15-14 win.

The crowd of over 15,000 saw Southwood score first when the Knights had a punt blocked at the Knights' 16. The Cowboys then put the ball in on a third-down pass play with 9:21 left in the opening quarter.

Arthur Alexander ran one yard to end a 47-yard Woodlawn drive and Thornton's PAT tied it at 7 all with 10 minutes left in the half.

The next score didn't come until the final quarter when Alexander again went in from the 1-yard line after a 67-yard drive and Thornton kicked the Knights ahead 14-7 with 4:43 left. Then Southwood went into action as they scored from the 11-yard line after a 79-yard drive which was helped by two controversial 15-yard penalties against Woodlawn for late hits. Southwood then lined up to kick an extra point but faked and passed for 2 points.

The Southwood offense, winning on big plays, was outplayed by the Knights offense as Woodlawn led in first downs, pass completions, yards passing, and total yards gained.

Airline 14

Again Woodlawn was handed a loss in the closing minutes of the game as the Airline Vikings produced a 14-10 win.

Airline took the lead when they drove 52 yards in five plays on their first possession. Woodlawn came back to narrow the margin 7-3 when Doug Thornton kicked a 27-yard second-quarter field goal.

Woodlawn went on top in the third quarter on a 17-yard pass from Thornton to Jerry Murray. Thornton's conversion kick made it 10-6 with 2:54 left to play.

Forty seconds and three pass completions later, Airline handed off and smashed in from the 4-yard line for the winning touchdown.

The Knights held a 12-9 first down edge, out-gained the Vikings 252-166 in total offense, and dominated most of the second half.

Woodlawn's rushing department was led by junior Arthur Alexander who picked up 101 yards on 15 carries and junior Greg Heins who had 12 carries for 79 yards.

Fair Park 21

The Knights were shut out by the Fair Park Indians 21-0. Everything the Knights tried backfired as the Indians poured through.

Woodlawn's defense could not contain the Indians offense as they scored in the first, second, and fourth quarters off runs of 30 yards and twice on 1-yard runs. Woodlawn got its first and only big break when a Knight punt hit a Fair Park player and the Knights recovered at the Indian 41. Until then, the Knights had run one offensive play outside their own 35. Thornton then passed to Doug Boulware, but their hopes were wrecked with an interception on the next play.

## Players Take Pride in Being Knights

WHS 17

Byrd 8

The Byrd game was completely dominated by the Woodlawn Knights as they speared the Byrd Yellow Jackets 17-8. At the half Byrd had not made a first down, had one yard in total offense, and the lead 8-6. The 2-point advantage came as the result of a blocked punt which was picked up and run in by a Byrd defender and a makeshift conversion pass.

Woodlawn added 6 when Doug Thornton ran in from the two. Woodlawn's defense held Byrd to only 27 yards rushing with the efforts of defensive players Richard Ross, Allen Kinley, Rodney Procell, Scott McDonald, Bobby Brown, and Daniel Joyner. Greg Heins was the leading rusher with 10 yards on 18 carries.

WHS 7

Natchitoches 0

Upholding the traditions of never having lost a homecoming game, the Knights upset the Natchitoches-Central Chiefs 7-0. Again it was defense for Woodlawn as they set up the game's only score in the first quarter. Woodlawn's linebacker Kenny Green blocked a Chief punt and Rodney Procell recovered on the Natchitoches 40. Doug Thornton then connected with Jerry Murray for the only touchdown in the game.

Keith Biggs, the Knights' cornerback, provided some outstanding plays as he intercepted two passes. Biggs was injured in the final minutes of play with a broken jaw.

WHS 0

Bossier 14

Woodlawn, failing to score on four drives inside the Bossier 10, were struck by the Bearkats with a 14-0 loss.

Bossier's first touchdown came just five minutes into the game when it converted a Woodlawn fumble at the Knights' 29. Their second touchdown was set up on a 74-yard pass-and-run play by a Bossier receiver who was caught behind on the nine.

The Knights had attempted four fourth-down plays but they were fruitless in their efforts. Woodlawn did score once but penalties wiped the score away.

WHS 13

BTW 8

Woodlawn driving for touchdowns on its initial possessions posted a 13-8 win over the Booker T. Washington Lions. Three plays into the game, quarterback Doug Thornton raced 26 yards for a touchdown to climax a drive that started at the Knights' 39. Later in the first quarter a BTW defender intercepted a Woodlawn pass and converted it into a touchdown. A 2-point conversion was added giving the Lions an 8-7 lead. In the third quarter the Knights held BTW, forced a punt, and took the ball on to a TD drive.

Greg Heins led the Knights in rushing with 87 yards on 11 carries while Arthur Alexander contributed 77 yards on 14 carries.

WHS 16

Huntington 0

Ending up the season with a victory, the Knights shut out the Huntington Raiders 16-0.

Doug Thornton started the Knights' scoring with a 30-yard field goal. After a blocked punt, the Knights recovered the ball at the Raiders' 38-yard line. Alexander carried for 30 yards on the first play but the Knights did not score until fourth down when Rickey Tyler caught a touchdown pass to give the Knights a 9-0 lead.

The final Woodlawn touchdown came on another fourth down with Doug Boulware making a spectacular catch. Arthur Alexander was the leading rusher with 122 yards in 17 carries.

# Knights Back on Top

The Knights' basketball team was put back in full gear this year as Ken "Poison" Ivy returned to the Castle after a year's leave.

Under Ivy's leadership, along with the assistance of Thomas Ludley and Melvin Russell, the Knights made a clean sweep of the District 1-AAAA Championship, losing only one district game.

The hard work and many hours put in on the practice court paid off as they again went over the twenty mark in the victory column. Other honors included taking the championship at the Springhill tournament and capturing the runner-up spot at the Natchitoches tournament.

## Knights Excel With 12-4 Record

Coach Joseph Bondurant in his first year as head coach led the 1974 Woodlawn baseball team to a highly successful season with a record of twelve wins to only four losses.

The Knights started the season with a tremendous start of five straight victories before experiencing a loss.

Robert Poland, the Knights' top pitcher, compiled a 6-3 record gaining All-District honors. Steve Tingle and Mark Phillips also received All-District honors.

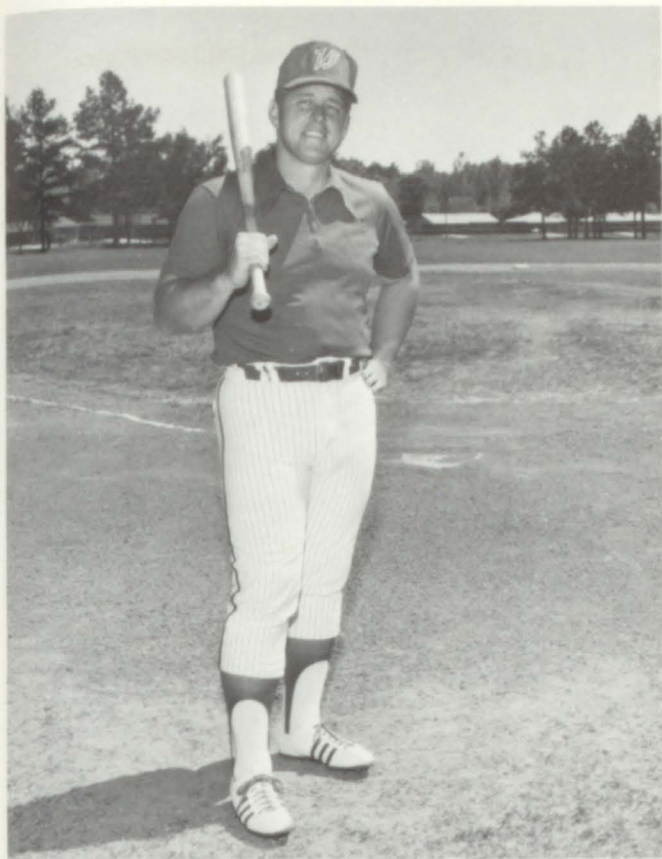

The excellent performance of Tingle as catcher and Phillips at shortstop made scoring runs difficult for Woodlawn opponents. Mark Phillips led the district with a .397 batting average.

## ROTC Art of Leadership

The art of leadership is a gift and an achievement, and the 1974-75 ROTC has proved this statement to be true. Under the guidance of the officer-instructors, cadets carried out their mission as an independent regular unit on active duty. The Woodlawn High School ROTC strived to develop officers for the United States Army.

The ROTC of Woodlawn High School was carried on this year through various activities of the corps such as the Lancer Drill Team, the Rifle Team, the Highland Pipe Band, and the newly added girls' drill team, the Lancer Girls. This year's highlights for the ROTC were the Military Ball and the annual spaghetti supper and carnival.

## R.O.T.C. Pipe Band

The Woodlawn High School Band of the ROTC department is unique among all other bands with its sound and eccentric style.

A fascinating band, it is considered Woodlawn's pride. It has excelled in precision marching and drills.

Consisting of 23 members, the band represented Woodlawn in many parades and festivals including the Christmas parade in Many, Louisiana, where they took first place.

Perfection was the goal of the Highland Band, under the sponsorship of Sgt. Courtade and Major James Parker.

# Mr. Cook, a True Knight

Bravery, loyalty, and truthfulness, three attributes of a Knight are exhibited each day at the Castle by Mr. J. W. Cook, principal. Mr. Cook carefully coordinated all the academic units that kept WHS running smoothly and, at the same time, remained a true Knight readily participating in pep rallies or assemblies. Mr. Cook supported all of the Woodlawn activities and clubs this year and was an active member of the PTSA. His presence was felt at all the football games as he cheered the Knights to victory.

In the spring of 1974 Mr. Cook received a rare and special award as an outstanding supporter of the Junior ROTC Program.

Many a Knight has passed through the Castle doors. All will remember Mr. Cook, a true Knight.

## Administrators Are Seen in All Aspects of Castle Life

Many duties filled the days of the three assistant principals. Each had individual tasks to perform, but they all coordinated the main stream of Woodlawn High School.

Together Mr. Holman, Mrs. Pugh, and Mr. Moss worked and made all aspects of life at the Castle enjoyable for both teacher and student. Seen at various places during a school day, each administrator worked to get a first-hand look at any problems or situations and quickly solved them.

# Counselors Help Plan and Prepare

As guidance counselors, Mr. Simmons, Mr. Gilliam, and Mrs. Geisler assisted students in every way possible. Anything from schedule changes to choosing careers was made easier by the counselors at Woodlawn.

Only three counselors were available this year, so the sophomore class was divided and one-third assigned to each counselor.

## Coordinators Look for Creative Ways to Teach

The use of new and innovative visual aids were sought by the four instructional coordinators of Woodlawn High School to make classes more interesting to all those involved. The coordinators worked daily trying to find things that added to each subject and motivated the students to search further into their subject matter.

Constantly busy, they kept all of the courses in their subject area running smoothly and efficiently. In addition each coordinator had the responsibility of orienting new teachers in their department and conferring with other teachers about their teaching activities. The coordinators also assisted in planning field trips and extra activities.

# English Is Taught With Visual Aids

English was perhaps one of the most important subjects taught at Woodlawn because it is connected with all phases of the student's life. Freshmen enrolled in English I were introduced to a preparatory course for future English classes. They learned the basics of the theme, novel, research paper, and even the telephone. English II students expanded their vocabulary and literary interests by

reading various novels.

A new course was offered to English III students. They were given the option of taking humanities, by combining English and American history for an in depth study of the fine arts. Seniors studied from Greek Gods to American folk tales. A new course, reading, was also offered in the English department.

Speech, journalism, and the foreign languages aided all of the students in a role of greater communication and self-expression. Self-confidence was achieved in the speech courses as one learned to recite in front of an audience. In journalism, self-expression was encouraged with creative writing. French, Latin, and Spanish widened the horizons of communication for all of the foreign language students.

## Creative Abilities Are Expressed Through the Fine Arts and Music

The combined efforts of the Woodlawn bands, choirs, and art classes boosted the Twelfth Man spirit considerably. The spirit banners and posters made by the art classes brightened the day of all Knights. Every pep rally was enhanced by the music of the marching band.

On the academic side, creativity was encouraged in both the art and music classes. The choir and its musical ability brought pride to Woodlawn with the recognition gained in competition.

## Social Studies Fulfill Interests

A number of courses were offered in the social studies program at Woodlawn. These include civics, general history, American history, geography, sociology, and psychology.

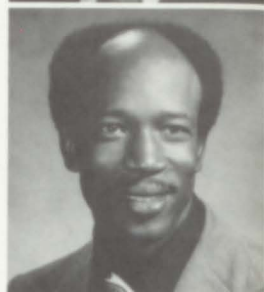

This year the special humanities classes, which included selected American history and English classes, took several field trips and participated in pioneer day, flapper day, and various other activities related to the humanities.

# Science Students Attend Medical Seminar

General science provided the students with an understanding of science and what one can do with science. IPS taught the relationship between the physical things in the world. Units in biology included cell anatomy, ecology, human and plant anatomy, and experiments with live animals. Lab work was included with each unit. Biology II was

designed to aid students in learning by first-hand experience. Microbial genetics, population, dynamics, and animal behavior were included in some of the units studied. Chemistry studies dealt with chemical structure and properties of matter. Physics, the advanced science course, taught students the why behind things.

# Math Provides Challenge for Determined Students

Six courses were offered by the math department during the 74-75 school year.

General math dealt with basic fundamentals. Algebra I and II furthered advancements in mathematics dealing with variables, open sentences, symbols, and sets.

Geometry students were taught to deal with plane figures, constructions and proofs. Trigonometry and calculus were introduced to advanced math students. The objective of the department was to try to prepare students to survive in a society where it is necessary to deal with figures and logic.

# Business Dept. Receives New Equipment

Woodlawn's Business Department was busy making field trips to related places of business. Tours were conducted at General Electric, Caddo Parish School Board, and Commercial National Bank. The use of new wireless dictation equipment was also organized this year.

This phase of curriculum prepared students who planned on going into any branch of business prior to graduation.

## Experience Proves Best Teacher

Woodlawn's school work program included COE and DE. These classes aided students by allowing them to attend classes during half the day and work the other half. In class the students were taught the skills needed to function properly on their jobs. Working provided the students with on-the-job training.

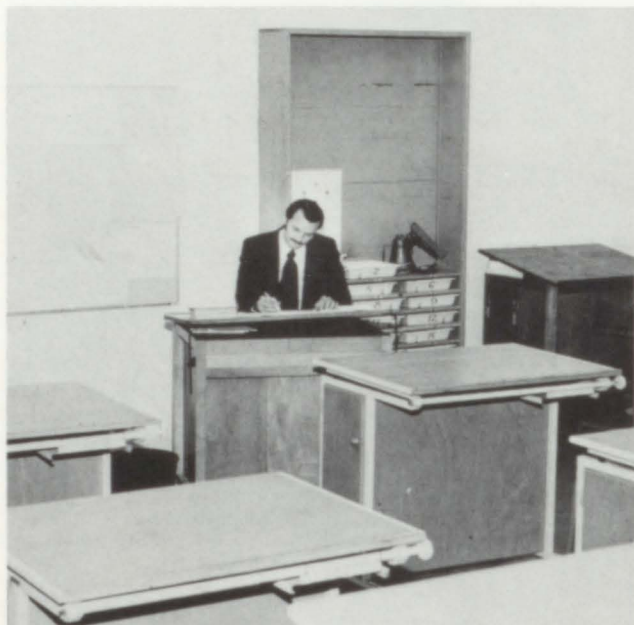

# Business Dept. Voc. and Related Stress Careers

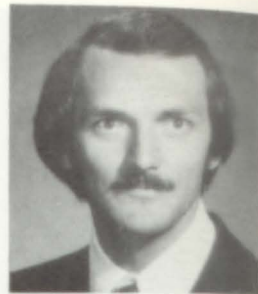

Woodlawn's vocational program offered a variety of electives. These included mechanical drawing, a study of communicating visually the shape of three-dimensional objects by means of two-dimensional drawings; aviation, the study of airplane systems, meteorology, navigation and aviation history; small gas engines, the fundamentals of servicing, adjusting, repairing, and conditioning gas engines.

Agriculture, home economics, and woodworking were also offered as electives.

## ROTC Teaches Military Discipline

ROTC, an Army education course, provided for military experience for students. Objectives were to develop in each student good citizenship, self-reliance, leadership, and a knowledge of basic Army skills. The

ROTC Color Guard presented the flag and officers served as ushers at all of Woodlawn's home football games.

# Physical Education and Driver Ed. Remain Ever Popular at Castle

Unaffected by the recent decision that P.E. should no longer be a required subject, the enrollment in physical education classes continued as strong as before. Among activities included in the program were track, tennis, volleyball, softball, and football.

Drivers education classes taught by coaches at the Castle included first-hand observations in the classroom followed by actual driving supervision by the teachers for six hours experience.

The job of teacher aids included many duties; they were called on to fill many administrative positions.

This year the completion of the new learning center provided a new and more comfortable location for study classes. Students enjoyed using the quiet side for private study and the other for group discussion. This was effective as well as helpful in the classes.

# Custodians Keep Castle in Order

Upkeep of the Castle was the responsibility of the maintenance staff, which was divided into two main parts. The custodians were in charge of the grounds, keeping the halls in order, and repairing mechanical difficulties.

Cafeteria workers were in charge of seeing that students were fed a well balanced lunch each day. Some of the students at Woodlawn were involved in the breakfast program.

For the past ten years, Western Electric has been manufacturing telephones in Shreveport. In 1973, our employees worked together to build over half of the total number of new phones made for the customers of the Bell Telephone Companies. The Shreveport Works offers young people just starting out on their own interesting jobs in the fascinating field of tele-communications manufacturing, a pleasant place to work and the opportunity to earn a good living.

Western Electric . . . we're at the heart of the Bell System. We make things that bring people closer.

# In Memoriam.

Calvin Douglas —  
November 10, 1960 —  
October 18, 1974

Thomas Williams —  
January 17, 1947 —  
March 6, 1975

The ACCOLADE Staff of 1974-75 has attempted to compile a volume of memories for all Knights to cherish. Our only hope is that we have included everyone and have instilled a certain pride that makes us the Knights of Woodlawn.

ACCOLADE '75 was made possible by the hard work of the editorial staff and its two advisors. To Mrs. Sherrie Ryan and the ad staff we extend our deepest thanks for their financial support. Special thanks go to Drummond Enterprises for their excellent photographic work.

As the year comes to a close, the seniors can now realize that each day of the future will bring reflections of those days at Woodlawn.

## But the Castle Will Always Stand

The year 1975 has become a memory; but it will be remembered that Woodlawn has helped to strengthen and mold us so that we may build for a better tomorrow that through our efforts, and those of other Woodlawn patrons, the day of the Knight is forever but primarily that Knight Time was the right time and the only time for us.

Mrs. Bordelon,  
 I couldn't find a  
 place to sign in 2nd  
 hour section! All that  
 really mean to say is that  
 you've really helped me alot as far  
 as speaking in front of a group. I'm  
 sorry for all the trouble you had out of  
 me and 2nd hour! I really enjoyed your  
 class! I hope you don't have as much  
 trouble next year as ya did this year!  
 Love,  
 Janie Miles

## Autographs

Mrs. Bordelon: I haven't been very  
 cooperative in your class  
 but you've been a good  
 teacher. I hope to see you  
 next year. Love,  
 Deborah Lewis

Mrs. Bordelon,  
 It's been pretty cool in your class this year,  
 I think speech has really helped me alot.  
 We might have gotten more done this year if we  
~~hadn't~~ had worked harder, but I guess we did alright.  
 I should have harder and I meant to, I just  
 never got around to it. Thanks for everything and maybe you'll  
 get a better 6th period  
 class next  
 year. Love,  
 5-76  
 JEFF  
 JIMMY  
 PATTI

Mrs. Bordelon  
 I have enjoyed being in your  
 class this year except sometimes  
 I didn't feel like getting up in  
 front of class. This course, has  
 and will help me in the  
 future. I hope to see you  
 next year. Love,  
 BRUCE DRY

MRS. BORDILON  
 YOU ARE A REAL  
 SWEET TEACHER  
 2ND HOUR SPEECH

## More Speech Club:

Mrs Bredelon,

This year has been a little of everything and has certainly been interesting. I guess this year has been different from your others, but you did make it through. The whole squad has changed - I think you must have to - I don't know if the changes have been for the better for the rest of the school, but it certainly made for harmony in our club. But the year has ended meaning so much to me - you and the club have made the year that way. Thanks for the bracelet, and for thinking of the bracelets and keep in touch after I graduate, or at least don't hang up when I call -

With deepest sympathy  
(or at least after you get your  
class next year)

Harry Hines  
(PRESIDENT? NFL '75)

Bore, really bore fun this  
year in spite of all the

Mrs. Bardelon,  
First of all, I really wish that  
I had discovered my talents as a  
good drama student much sooner  
than I did, but nevertheless, I  
really had many new, interesting  
and challenging experiences (smile).  
I'm sorry in disappointing you  
for not going to college, but I do  
plan on continuing my education in  
accounting a little later. Take care  
of Helton's Mama Nettles and may  
Bless all of you. Good Luck with your  
Speech program next year. Love  
Cathy Thomas

P.S. Once again, thanks for discovering  
me. (smile)
